## What Others Say

***"MWA Solicitors have instructed Katy Thorne on a regular basis since 1996. It isn't often that you come across a barrister who is as excellent in connecting and communicating with the defendant as she is with advocacy, written advices and prep work, but such a barrister is Katy Thorne. We have no hesitation in instructing her in our most serious cases. At the conclusion of Katy's cases, whatever their outcome, we and our clients are left in no doubt that they have received the best representation possible."***
